

DIPLOMA AND HOSPITAL MANAGEMENT

- **DURATION:- 2 YEAR**
- **ELIGIBILITY:- 10+2 (ANY SUBJECT)**
- **FEES:- 30,000 PER YEAR**

Health care includes all services that help people stay healthy, treat sickness, and improve well-being. It involves doctors, nurses, hospitals, clinics, and many support systems. These services work together to prevent disease, support recovery, and promote long-term health for individuals and communities.
